Fit For Fun Center

The coolest pad in town!

The Fit For Fun Center is an interactive play facility for parents and children ages five and under.

We offer an age-appropriate developmental play environment that encourages education, physical activity, social interaction and self-expression.

Our goal is to provide families an inclusive space for fitness, fun, and fellowship.

We have indoor play areas, an art room, snack table, and a covered, fully fenced outdoor play island. Popular activities include music, painting, parachute play, and special events throughout the year.
